DETAILED ACTION

1. In view of the Board of Appeals decision filed on 31 March 2005, the claims are allowable over the prior art of record. However, upon further review for compliance with 35 USC 101, new grounds of rejection are set forth below.

Claim Rejections - 35 USC § 101

2. Claims 31-35 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. The claims are means plus function claims where the means are not defined by the claims. The specification describes pure software embodiments of the invention, see page 4 lines 2-9, which is non-statutory subject matter. Amendments to the claims specifically reciting hardware or, hardware and software are suggested.

Allowable Subject Matter

3. Claims 1-30 are allowed. See the Board decision of 31 March 2005.
